CLUB WOMEN AID STRIKERS.

Mounted police in Chicago yesterday charged threatening mobs of striking garment workers and made numerous arrests in three quarters of the city, only to be dumfounded when met by obdurate groups of clubwomen and society leaders, who, when taken into custody, produced engraved calling cards at police stations in lieu of bail bonds. A score of these women, champions of the garment workers, were taken into custody, but they were immediately released when their identities became known.

One woman was struck by a policeman's club. Most of the clubwomen involved in yesterday's demonstrations were garbed as working girls and the police could not distinguish them from strikers until after arrests were made. Riotous and spectacular scenes developed downtown, on the North Side and the West Side. More than 500 men and women engaged in the downtown demonstration, which was broken up by the police after considerable trouble. As they left the headquarters in Lasalle street the strikers and their sympathizers changed bells, blew whistles and tooted horns.

The line of march proceeded into the wholesale quarter near the Chicago river, passing large tailoring establishments, whose employees were beckoned to join the strikers. More than 2,000 took part in one of several incipient riots on the West Side. In each instance women led the strikers and their friends. Promises from wealthy women to open their homes to destitute striking girls, offers of picket service from women social and club leaders and pledges of assistance from many other women were received yesterday by Mrs. Raymond Robins, president of the Woman's Trade Union League.

Ely's Cream Balm has been tried and not found wanting in thousands of homes all over the country. It has won a place in the family medicine chest among the reliable household remedies where it is kept at hand for use in treating cold in the head just as soon as some member of the household begins the preliminary sneezing or sniffling. It gives immediate relief and a day or two's treatment will put a stop to a cold which might if neglected, become chronic and run into a bad case of catarrh.

BRYAN JUSTIFIES HIS BOLT.

In a hall hired by himself and speaking outside the jurisdiction of the democratic state committee, W. J. Bryan proclaimed in Lincoln, Neb., Monday night his political independence so far as the head of the democratic state ticket is concerned and justified his bolt of James C. Dahlgren, candidate for governor. He disclaimed any intention of becoming a political free lance in national affairs.

Mr. Bryan proclaimed himself "regular" on all occasions and gave unstinted endorsement to the remainder of the state ticket. He insisted that it was no test of party regularity for one to vote for Mayor Dahlgren, because, he said, Dahlgren was not nominated by the democrats, but by a combination of the notes of all parties dominated by the liquor interests.

For himself, he would do what he could to put an end to the spree on which the democratic party in Nebraska had embarked; he was not willing that the party should die of delirium tremens.

The old, old story, told times without number, and repeated over and over again for the last 36 years, but it is always a welcome story to those in search of health—There is nothing in the world that cures coughs and colds as quickly as Chamberlain's Cough Remedy. Sold by W. F. Creighton and Richard Gibson.

CHARGED WITH POISONING.

Dr. G. H. Buck was arrested in Greensburg, Kan., yesterday charged with poisoning his wife. Mrs. Buck died about two weeks ago. Dr. Buck was released on \$10,000 bond and his preliminary hearing was set for November 14.
The charge was brought against Dr. Buck by the father of Mrs. Buck, W. B. Kinsell, a farmer living near Greensburg. Kinsell intimates that he has sufficient evidence to make good the charge.
Dr. Buck says he is innocent. He asserts that his wife became ill and died of a complication of diseases. On the afternoon of Mrs. Buck's death Dr. Buck called in two other physicians to consult with him about her case. They were of the opinion that her condition was not serious. She died shortly after they left the house.

DOG HAD \$100 FUNERAL.

Rex, the pet dog of the George S. Fox family, which was buried in the "Little Brick" Friends Burying Ground at Harrisville, Md., will not remain there. The families of the persons who are buried there objected vigorously, so the cemetery directors had the body re-

A Lenoir Lady, After Two Weeks Grinding Labor, Feels Better Than Ever.

Lenoir, N. C.—"I am not tired at all, and am stouter than I have ever been," writes Mrs. Kate Waters, of Lenoir, N. C., "although I have just finished a two weeks' wash. I lay my strength to Cardui, the woman's tonic. I have taken a lot of it and I can never praise it enough for what it has done for me. I can never thank you enough for the advice you gave me, to take Cardui, for since taking it I look so well and am stout as a mule."

You are urged to take Cardui, that gentle, vegetable tonic, for weak women. Its use will strengthen and build up your system, relieve or prevent headache, backache and the ailments of weak women.

It will surely help you, as it has helped thousands of others, in the past 50 years.

N. B.—Write for Ladies' Advisory Dept., Chattanooga Medicine Co., Chattanooga, Tenn., for Special Instructions, and 64-page book, "Home Treatment for Women," sent in plain wrapper, on request.

The dog was given a \$100 funeral and was buried in the cemetery without permission. On Monday afternoon the body was removed and reinterred at night in a lot in the rear of the Fox residence. It will be taken to Philadelphia and there buried in a cemetery devoted to canines. The embalmed body is laid out in a silk shroud, with a band of ribbon with a bow around its neck. The casket is white cloth covered and is encased in a box of bronze. Floral designs were received from western Maryland.

SUICIDE PACT.

A suicide pact entered into by a depressed young couple on the upper west side of New York, and carried into at least partially successful execution, was revealed when a relative of Mr. and Mrs. Paul Torrea broke into their rooms yesterday afternoon. Torrea was found dead in bed and his young wife partially overcome by gas and a wound in her left wrist, calmly waiting for her life to end.

When Mrs. Torrea was revived at the hospital, to which she was taken a prisoner, she said that the knife wound had been inflicted by her husband in carrying out a suicide agreement which they made yesterday morning. She told the police that her husband had first cut a deep incision in her left arm and then slashed his own right arm. Then he turned on the gas and they lay down to die.

The Torreaes were married only two weeks ago.

DEFRANCHISES NEGRO.

Holding that it has no jurisdiction to grant relief from the operations of the "grandfather clause" amendment to the Oklahoma constitution, the federal circuit court, in Guthrie, Okla., dismisses the application of Daniel Sims, a former slave, who asked a writ of injunction that would permit him and other negroes to vote at the general election on November 8.

The decision makes the grandfather clause operative for the election in November, disfranchising several thousand negroes, as the various precinct election boards are given final authority to pass on a voter's qualification. \$500,000.

The attorneys for Sims have appealed to the United States Supreme Court from the recent decision of the State Supreme Court that the grandfather clause is valid.

Group is most prevalent during the dry cold weather of the early winter months. Parents of young children should be prepared for it. All that is needed is a bottle of Chamberlain's Cough Remedy. Many mothers are never without it in their homes and it has never disappointed them. Sold by W. F. Creighton and Richard Gibson.

30 Days Trial in your own Home

\$1 A Week Payments

These are the remarkably liberal terms upon which we sell that new and improved sewing machine which was recently invented by Wm. C. Free, which has been so widely advertised in Women's Magazines, and which is revolutionizing the sewing machine business.

The FREE Sewing Machine

Because of the fact that The FREE is sold so much lower than the best known sewing machines, we have agreed never to publish the price broadcast. You would judge its quality by its cost. You would not believe that absolutely the best sewing machine in the world could be obtained at such a bargain.

So instead of talking price, we have decided to make it easy for you to own The FREE and find out its quality yourself. We will sell it to you at your own terms, as low as \$1.00 a week, and to show you how we place our whole establishment back of this wonderfully perfect machine without the least qualification. We offer it to you on 30 days Trial in your own home. Sew on it for 30 days. Give us a hard test you can think of for 30 days. Compare it point by point with any other machine. Then if you have not been convinced that it is the best machine you ever heard of, the most convenient, the most improved, and if the low price does not delight you—return the machine to us. We will refund your deposit so that the trial will not cost you one cent.

Our reason for making you this offer is to have you notice how much lighter it is than the best sewing machine in the world.

- how much faster its Rotocut Movement makes it sew
- how much easier it is to use its Shuttle Ejector than your finger nails or screw driver
- how much better it is to have a Rotary Spool Pin that keeps thread from breaking or lighting
- how much more ornamental its French-style design and dustless spinning are
- how much more convenient it is to have an Automatic Tension Release, Automatic Locking cravens, an Improved Head Lock, a Belt that never comes off, and a 5 years Insurance Policy against every kind of accident.

So Come and See The FREE

tomorrow and take it home with you
